How We Work...

- Simplify and Focus.
- Impact over Activity.
- Criticizing without offering help is just creating work for others, it is not doing work.
- Organizing work is not completing work.
- A low meeting culture company.
- A radically transparent and radically candor company.
- We encourage frank unfiltered public communication
- We are a high trust high empathy company.
- We are a highly empowered individual contributor workplace.
- We do not need managers of managers here.
- The team comes before the individual. The company comes before the team. We always wins over I here.
- Politics will not be tolerated AT ALL.
- Radical candor, transparency, and frank communication in a public setting is not a license to be an asshole.

Finding people in Rippling

The screenshot shows the Rippling HR Information System interface. The top navigation bar includes the Rippling logo, 'HR', a search bar with the placeholder 'Search or jump to...', and various utility icons. The left sidebar contains navigation links: People, Anniversaries, Compliance 360, Contractor Hub, Work Authorization, and Org Chart (which is currently selected). The main content area is titled 'Org Chart' and includes a 'Help docs' link. Below the title are tabs for 'Org Diagram', 'Org Chart', and 'Settings'. A search bar labeled 'Search people' is highlighted with a yellow box, and a 'Filters' button is next to it. On the right, there's a 'Visualize by' dropdown menu set to 'Departments'. The organizational chart displays a hierarchy of employee cards. Each card shows the employee's name, title, location, and status. The cards are arranged in a tree structure, with Jonathan Rhyne at the top. Below him are Greg Ives and Misty Boursignon. Greg Ives has Sam Fieder and Danielle West as direct reports. Sam Fieder has Ben Grantham as a direct report. Ben Grantham has Peter Bukowski as a direct report. Misty Boursignon has Richard Malloy and John Bartlett as direct reports. Richard Malloy has Matej Bukowski as a direct report. John Bartlett has Cory Kurler as a direct report. The bottom left of the sidebar has a 'Collapse panel' button.
